The simple goal is to increase housing stability and resident well-being through a holistic case management approach that creates places of pride and belonging.

CONNECT is an extension of Housing Visions' Mission to be the catalyst for sustainable positive change in neighborhoods. # About the Event

---

**Housing Visions' 35th Anniversary Celebration will be held at the National Veterans Resource Center (NVRC) at Syracuse University.**

This cocktail-hour style celebration will feature heavy passed appetizers and stations. The event will take place from 5-7pm with appetizers and an open bar until 6:30pm. We will conclude with a brief program and award presentation in the auditorium.

The NVRC represents an unprecedented commitment by Syracuse University to cultivate and lead innovative academic, government, and community collaborations positioned to empower those who have served in defense of the nation.
